

# TRC Synergy upbeat on its outlook in M'sia as well as Australia

25 June 2019 | Focus Malaysia

TRC Synergy Berhad (“the Group”), a Bursa Malaysia Main Market listed company involved in **construction, property development and hospitality business** in Malaysia as well as Australia is well positioned for sustained growth with its unbilled order book in hand approximately RM2.5 billion, and potentially new contract wins from both Peninsular as well as Sabah and Sarawak.

After the Company’s twenty-second annual general meeting at Mandarin Oriental Hotel Kuala Lumpur, **TRC Synergy Berhad Group Managing Director Tan Sri Dato’ Sri Sufri Bin Hj Mohd Zin** said: “2019 is a year of momentous occasion, as TRC celebrates its 35<sup>th</sup> anniversary to commemorate more than three decades of achievements and milestones. At TRC, we still have plenty of room to grow from strength to strength, riding on the Group’s proven track record and implementation capabilities throughout all these years to where we are as one of the key player, a force to be reckoned within the industry.

“With the many sizeable infrastructure projects that are coming onstream over the next few years, such as the ECRL, Coastal Road Project (Sarawak). Second Trunk Road Project (Sarawak), Sarawak water-Grid project, Pan Borneo Sabah, just to name a few and barring any unforeseen industry and market circumstances, the Group is optimistic of the opportunities going forward,” Tan Sri Dato’ Seri Sufri added.

Over the past five (5) financial years, the Group had continued delivering positive results to our shareholders, with the ‘core’ earnings as well as margins consistently holding up throughout the years.
