### **To: The Shareholders of TRCS**

Dear Sir/Madam,

### **PROPOSED RENEWAL OF AUTHORITY FOR THE COMPANY TO PURCHASE ITS OWN SHARES**

#### **1.0 INTRODUCTION**

On 22<sup>nd</sup> April 2022, TRCS announced to Bursa Securities its intention to seek a renewal of an existing authorization from its shareholders to purchase its own shares up to 10% of its issued and paid-up share capital.

At the AGM held on 29<sup>th</sup> June 2021, the Board obtained shareholders' approval for the renewal of authority for the Company to purchase up to 10% of its issued and paid-up share capital. The aforesaid approval will continue to be in force until the conclusion of the forthcoming AGM of the Company which will be held on 22<sup>nd</sup> June 2022 unless a renewal of authority for the Company to purchase its own shares is obtained from shareholders of TRCS.

Therefore, the purpose of this Statement is to provide you with the details of the Proposed Renewal and to seek your approval for the ordinary resolution pertaining to the Proposed Renewal to be tabled at the forthcoming AGM of TRCS to be convened virtually at the Broadcast Venue at 8<sup>th</sup> Floor, TRC Business Centre, Jalan Andaman Utama, 68000 Ampang, Selangor on 22<sup>nd</sup> June 2022 at 10.30 a.m.

**SHAREHOLDERS OF TRCS ARE ADVISED TO READ THIS STATEMENT CAREFULLY BEFORE VOTING ON THE RESOLUTION PERTAINING TO THE PROPOSED RENEWAL**

**2.0 PROPOSED RENEWAL**

**2.1 Details of the Proposed Renewal**

At the Twenty Fourth AGM held on 29<sup>th</sup> June 2021, the Board obtained shareholders' approval for the renewal of authority for the Company to purchase up to 10% of its issued and paid-up capital. The aforesaid approval will continue to be in force until the conclusion of the forthcoming AGM of the Company which will be held on 22<sup>nd</sup> June 2022 unless a renewal of authority for the Company to purchase its own shares is obtained from shareholders of TRCS.

TRCS proposed to seek approval of its shareholders for the renewal of authority granted to TRCS at its Twenty-Fourth AGM to purchase and/or hold from time to time and at any time up to ten per centum (10%) of its issued and paid-up share capital of the Company for the time being quoted on the Bursa Securities. In compliance with Section 127 of the Act and any prevailing laws, rules, regulations, guidelines and requirements issued by the relevant authorities, the Company is allowed to purchase its own shares on Bursa Securities through its appointed stockholder(s) as approved by Bursa Securities.

As at 31<sup>st</sup> March 2022 the total issued and paid-up share capital of the Company is RM240,248,551.50 comprising 480,497,103 TRCS Shares. Therefore, as at 31<sup>st</sup> March 2022, the number of shares to be purchased pursuant to the Proposed Renewal will amount to a maximum of 48,049,710 ordinary shares.

The authority from shareholders shall be effective upon the passing of the ordinary resolution for the Proposed Renewal, and will remain in effect until the conclusion of the next AGM of the Company, or until the expiry of the period within which the next AGM is required by law to be held, unless earlier revoked or varied by an ordinary resolution of the shareholders of the Company in general meeting.

**2.2 Amount of Funds to be Allocated and Source of Funds**

The maximum amount of funds to be allocated for the Proposed Renewal will be subject to the Retained Profits of the Company. The Proposed Renewal will be funded from internally generated funds and/or bank borrowings. In the event that the Company intends to purchase its own shares using bank borrowings, the Board shall ensure that the Company shall have sufficient funds to repay the bank borrowings and interest expense and that the repayment would not have any material effect on the cash flow of the Company. As at 31<sup>st</sup> December 2021 being the latest available audited financial statements, the audited Retained Profits stood at RM7,093,922.53.

**3. REASONS FOR THE PROPOSED RENEWAL**

The Proposed Renewal will enable TRCS Group to utilize surplus financial resources to purchase its own Shares when appropriate, and at prices which the Board views as favourable. It may stabilize the supply and demand as well as the price of the TRCS Shares traded on the Main Market of Bursa Securities. The Company may also be able to reduce any unwarranted volatility of its shares which could support its fundamental value.

**4. POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL**

The Proposed Renewal, if implemented, will benefit the Company and its shareholders in the following manner:-

- If TRCS Shares bought back are cancelled, the Company expects to enhance the EPS of the Group as a result of the reduction in the issued and paid-up share capital of the Company, thereby enabling long term and genuine investors to enjoy any potential corresponding increase in the value of their investments in the Company;
- If the Shares bought back are retained as treasury shares, the Directors would have an option either to distribute these shares as dividends to reward shareholders or to resell at prices higher than their purchase price which will provide potential gain to the Company.

The Proposed Renewal, if implemented would however reduce the financial resources of the Company and may result in the Company having to forgo other better investment opportunities that may emerge in the future or at least deprive the Company and the Group of interest income that can be derived from the funds utilized for the Proposed Renewal. It may also result in a lower amount of cash reserves available for dividends to be declared to shareholders as funds are utilised to purchase shares.

The working capital of the Group may also be affected, as any purchase of TRCS Shares will reduce the Group's available funds depending on the actual number of shares purchased and their purchase price. However, the working capital of TRCS Group may be restored upon the resale of the Purchased Shares held as treasury shares.

## 5. EFFECTS OF THE PROPOSED RENEWAL

On the assumption that the Proposed Renewal is carried out in full, the effects of the Proposed Renewal on the share capital, NA, working capital and earnings of TRCS are set out below:-

### 5.1 ISSUED AND PAID-UP SHARE CAPITAL

If carried out in full, and all the Shares so purchased are cancelled, the Proposed Renewal will result in the issued and paid-up share capital of the Company as at 31<sup>st</sup> March 2022 being reduced from RM240,248,551.50 comprising 480,497,103 shares to RM 216,223,696.50 comprising 432,447,393 shares.

	No. of shares	RM
Existing issued and paid-up share capital as at 31 <sup>st</sup> March 2021	480,497,103	240,248,551.50
No. of shares to be cancelled pursuant to the Proposed Share Buy-Back	48,049,710	24,024,855
Upon completion of the Proposed Share Buy-Back	432,447,393	216,223,696.50

However, the Proposed Renewal will have no effect on our issued and paid-up share capital if the TRCS Shares purchased under the Proposed Renewal are held as treasury shares and are not cancelled. However, the rights of the treasury shares as to voting, dividend and participation in other distribution or otherwise, are suspended and the treasury shares shall not be taken into account in calculating the number of percentage of TRCS shares or of a class of shares in the Company for any purpose including substantial shareholding, takeovers, notices, the requisition of meetings, the quorum for a meeting and the result of a vote on a resolution at a meeting.

## **5.2 NA**

The Proposed Renewal is likely to reduce the NA per share of the Company and the Group if the purchase price exceeds the audited NA per share of the Group at the time of purchase, and will increase the NA per share of the Group if the purchase price is less than the audited NA per share of the Group at the time of purchase.

For shares so purchased which are retained as treasury shares, the NA of the Group will increase upon the resale of these shares, assuming that a gain has been realised. Again, the quantum of the increase in NA will depend on the actual selling price of the treasury shares and the number of treasury shares resold.

## **5.3 Working Capital**

The Proposed Renewal if exercised, will result in an outflow of cash and thereby will reduce the working capital of the Group, the quantum of which depends on, amongst others, the purchase price of TRCS Shares and the number of TRCS Shares, to be purchased and the funding cost, if any. However, the working capital and cash flow of the Company will increase upon reselling the Purchased Shares which are retained as treasury shares. Again, the quantum of the increase in the working capital and cash flow will depend on the actual selling price of the treasury shares and the number of treasury shares resold.

## **5.4 Earnings**

Depending on the number of shares purchased and purchase prices of the shares, the Proposed Renewal may increase the EPS of the Group. Similarly, on the assumption that the Shares so purchased are treated as treasury shares, the extent of the effect on the earnings of the Group will depend on the actual selling price, the number of treasury shares resold and the effective gain or interests savings arising.

## **5.5 Dividends**

Assuming the Proposed Renewal is carried out, it may have an impact on TRCS's dividend policy as it may reduce the cash available, which may otherwise be used for the dividend payment. Nonetheless, if the shares so purchased are retained as Treasury Shares, the dividend rate will also be increased with the suspension of the rights attaching to the Treasury Shares as to dividend entitlement. Moreover, the Treasury Shares so purchased may be distributed as dividends to shareholders of the Company if the Company so decides.

## 6. SHAREHOLDING OF DIRECTORS AND SUBSTANTIAL SHAREHOLDERS

The Board is mindful of the requirements that any purchase of TRCS Shares by the Company must not result in the public shareholding spread of the Company falling below 25% of its issued and paid-up capital share capital.

## **8. IMPLICATION ON THE CODE**

The Board has agreed that it is not intended for the Proposed Renewal to trigger the obligation to undertake a mandatory general offer under the Code by any of its shareholders and/or parties acting in concert with them. Therefore, the Board will ensure that such number of shares purchased, retained as treasury shares, cancelled or distributed will not result in triggering any mandatory offer obligation of the part of the substantial shareholders and/or parties acting in concert with them.
