TRC Synergy Secures RM149.98 Mln Hyperscale Data Centre Contract

KUALA LUMPUR, Sept 8 (Bernama) -- TRC Synergy Bhd has secured a contract from Gamuda Engineering Sdn Bhd for underground services works worth RM149.98 million for a hyperscale data centre.

The company said its wholly-owned subsidiary, TRC Construction Sdn Bhd, accepted the award from Gamuda Engineering today.

"The contract, which commenced on Aug 14, 2026, is scheduled for completion by Nov 25, 2026," it said in a filing with Bursa Malaysia today.

It said the contract will not have any effect on the issued share capital or the shareholdings of the substantial shareholders of the company. It is expected to contribute positively to the future earnings, earnings per share, and net assets per share of the company throughout the duration of the contract, said TRC Synergy.

This is the second contract secured by TRC Synergy since the beginning of the year

This is the second contract secured by TRC Synergy since the beginning of the year

KUALA LUMPUR (Sept 8): TRC Synergy Bhd (KL: **TRC** ASK **EDGE**) said on Tuesday it has secured a subcontract worth RM149.98 million from Gamuda Bhd's (KL: **GAMUDA** ASK **EDGE**) engineering arm for underground services works at a hyperscale data centre.

In a bourse filing, the construction outfit said the contract, awarded to its wholly owned subsidiary TRC Construction Sdn Bhd by Gamuda Engineering Sdn Bhd, commenced on Aug 14 and is scheduled for completion by Nov 25.

The company said the contract is expected to contribute positively to its earnings and net assets per share throughout the contract period.

This is the second contract secured by TRC Synergy since the beginning of the year. In January, the company secured a RM249 million contract to build new complex buildings in Precinct 5, Putrajaya.

The project was secured through its wholly owned subsidiary Trans Resources Corporation Sdn Bhd from Gilang Cendana Sdn Bhd, a subsidiary of Putrajaya Holdings Sdn Bhd, the master developer of Putrajaya.

In December last year, TRC Synergy also secured a RM550.8 million contract from SRS Consortium Sdn Bhd, a joint venture led by Gamuda, for works related to the Penang Light Rail Transit (LRT) Mutiara Line project.

In its latest financial statement for the second quarter ended June 30, 2026, TRC Synergy said it had participated in more than RM3.7 billion worth of tenders over the past two quarters as it sought to replenish its RM1.2 billion order book.

The tenders include packages for the Mutiara LRT, data centres, government complexes, schools and other infrastructure projects. The group said it is confident of securing some of these projects by the end of 2026.

Shares of TRC Synergy settled unchanged at 26.5 sen on Tuesday, giving the company a market capitalisation of RM127.3 million.

TRC Synergy wins RM150mil DC contract

Wednesday, 09 Sep 2026

TRC said the contract is scheduled for completion by Nov 25, 2026.

PETALING JAYA: **TRC Synergy Bhd**  has secured a contract from Gamuda Engineering Sdn Bhd, in relation to a hyperscale data centre sub-contract for underground services works, worth RM149.98mil.

In a filing with Bursa Malaysia, TRC said the contract, which commenced on Aug 14, 2026, is scheduled for completion by Nov 25, 2026.

"The contract will not have any effect on the issued share capital, the shareholdings of the substantial shareholders of the company.

"It is expected to contribute positively to the future earnings, earnings per share, and net assets per share of the firm throughout the duration of the contract.

"The board, after having considered all aspects of the contract, is of the opinion that the acceptance of the contract is within the ordinary course of business of the company and is in the best interest of the firm," it added.
